About Les Tourterelles Annecy ...

Les Tourterelles Annecy couldn't be better placed for visiting this stunning medieval town. Set in the historic walls, this 4 star first-floor apartment dating back to 1700 was part of a former convent and is less than a minute's walk from the famous Palais de l'Île, the castle and the lake.

You don't need to bring your car - everything you could need is right on your doorstep - cafes, bars and restaurants, a huge variety of unique shops, lakeside beaches and cycle trails.

Pick up delicious cheese, chocolates and other local produce at the markets, which take place three times a week, rummage through dusty antique and book shops or just explore the cobbled streets and canals that criss-cross this Venice of the Alps. There's also a popular flea market, on the last Saturday of the month, which is worth a visit.

Annecy is just four hours from Paris by train, and less than 30 minutes from Geneva airport, so it's perfect for a short break, but if you can, make time to explore the lakeside villages and the mountains that surround them.
